

Obligor's Alvie and Julie Campbell have filed this 51.903 in regards to an instrument that was recorded in Williamson County public records on September 30, 2008. That instrument being # 2008075222, purportedly signed by a David Seybold, Assistant Secretary, Mortgage Electronic Registration Systems, Inc. MERS.

Obligor's do not believe this instrument is a proper instrument to demonstrate the transfer of the lien rights of the Deed of Trust also recorded in Williamson County public records.

Obligor's do not believe this instrument is a proper instrument to demonstrate the agency relationship to the note holder or secured party to the Deed of Trust, American Mortgage Network, Inc., DBA AMNET Mortgage, also recorded in Williamson County public records, as.

Obligor's do not believe instrument # 2008075222 is a proper instrument to demonstrate the transfer of the lien rights of the Deed of Trust and believe this is an attempt to unlawfully assign the lien rights to a third party.

Obligor's believe this instrument is not a proper instrument and that it is misleading as to who has beneficial rights to the obligor's paper promissory note. Instrument #2008075222 misleads the reader into believing MERS is the Payee of the obligor's paper promissory note. Obligor's have never made a mortgage payment to, and were never required to make mortgage payments to MERS. Payment were to be made to American Mortgage Network, Inc., DBA AMNET Mortgage holds obligor's paper promissory note.

Obligor's believe David Seybold, or MERS did not have the lawful authority to create and record the Assignment of Note and Deed of Trust, Instrument#2008075222 in Williamson County public records.
