Dear Mr. Campbell:

Thank you for taking the time to contact me about the wording of Chapter 322 of the Texas Business and Commerce Code. Your input is important to me, and I appreciate the time you took to share your thoughts.

As you know, the Texas Business and Commerce Code a state issue and as a member of the United States House of Representatives, any influence that I might have over this issue is limited. Your State Senator, Charles Schwertner, would be better able to answer your questions regarding this issue. You may contact him at P.O. Box 12068, Capitol Station Austin, TX 78711 if you wish.

Again, thank you for taking the time to contact me on this important issue. Please do not hesitate to contact me in the future should you need any further assistance.

Sincerely,

John Carter
Member of Congress

JC/tg

This response is in regards to sending "Legal Duty.pdf" to Congressman Carter about the serious issue of electronic promissory notes. I reminded Mr. Carter in a reply email that 322.016 is the equivalent to 15 USC 7021
